If the payment is treated as "conveyance" allowance, it seems to be necessary to mention the nature of conveyance, cycle or hired conveyance etc. As the distance of the trenching ground is reported to be 7 miles, the maistri is entitled to travelling allowance for his journeys. The amount payable for the journeys to be performed may even work out to more than Rs. 10/- pm. under the M.T.A. Rules. The payment may be treated as "fixed travelling allowance" instead of "conveyance" allowance

With reference to Jt. Secy's query at 'A' on p. 2 ante, it is submitted that if a conveyance allowance is granted, the nature of conveyance should be specified as per rules 19(1) and 20 of the Spl. Pay and Allowance Rules. In the present case, the repl. cl. has proposed to pay a conveyance allowance of Rs. 10/- pm. to the Sanitary Maistry on a special case without specifying the conveyance. It has made the above proposal on the analogy of the orders in G.O. No. 3543 H dt 10.11.52 sanctioning a conveyance allowance of Rs. 15/- pm. to the Sanitary Inspector in charge of the trenching ground. In this connection, it may be noted that if a conveyance should be specified in the case of the Sanitary Inspr and the Sanitary Maistry, it shall be a bi-cycle and in that case they will be ordinarily eligible for a conveyance allowance of Rs. 4/- only ~~as per the Rules (1977) Regulations~~

2/. With reference to 'B' on p. 2 ante, it is subd. that

fop 15-16 & Rule 19 & 116

p. 3 ante

(X) p. 9

In the case of Sanitary Inspector it can be a motor cycle also in which case he will be eligible for Rs 25/- pm. Hence a conveyance allowance of Rs 15/- pm. sanctioned above is not unreasonable.
dtk 27.5.55

under rule 13 of the M.T.A. Rules a fixed monthly t.a. may be granted for the purpose of tours within a specified area for a given period. It has therefore been suggested that the allowance in this case may be treated on a F.T.A. instead of a conveyance allowance
